

DP-303 Smart building doorbell

Secure Your Entry, Anywhere

The DP-303 Smart Video doorbell provides secure residential access control. With a 4.3" display and cloud app integration, residents can enjoy two-way video calls and remotely unlock doors anytime.

Features:

- **HD Video & Night Vision:** 720P wide-angle camera with IR LEDs for clear 24/7 visitor identification.
- **Smart Access Control:** Built-in RFID reader supports Mifare cards for secure, keyless entry.
- **Mobile App Integration:** Answer calls, view visitor photo logs, and unlock doors remotely via smartphone.
- **Seamless Connectivity:** Supports VoIP SIP protocol and ONVIF for IP PBX and NVR integration.
- **Durable & PoE Ready:** IP65 waterproof silver brushed metal panel with Power over Ethernet (PoE) support.

720P HD VIDEO

Crystal clear wide-angle camera view.

SIP PROTOCOL

Clear two-way audio communication with echo cancellation.

REMOTE MOBILE ACCESS

Real-time video calls on VBELL app
Remote door unlocking from anywhere

AWS CLOUD
